This means that we have the expertise to handle any other legal needs that are related to your employment matter.

Since we act for both employers and employees, we have the benefit of seeing both sides and can anticipate the arguments which will be put forward by opposing counsel. We can assist you with terminations and other Human Resources issues, including overtime, vacations, leave, discrimination and human rights, and WSIB claims. We can also help you draft employment contracts and policy handbooks.

For your employment legal needs, DSF is here for you. Terminations, workplace conflict and other employment issues can be stressful for employers. Our lawyers and staff listen to you and understand your challenges. We will advocate for you vigorously to ensure that your company's employment rights are upheld.
